

## How To Use The Vestibules *A guide*

The Vestibule spaces are available to hire for a wide range of creative and community focused purposes.

We are able to provide advice on hanging, installation and the planning of your exhibition or event on enquiry. Whilst it can be daunting to develop an idea and present it to the public, we can provide guidance and technical information to aid your process.

The spaces offer a unique and central location to present artwork, markets, performances and projects. We value being somewhere to share ideas, to open our doors to those who want to show what they've worked on, in countless forms.

To use the spaces, contact us by emailing The Vestibules at [thevestibules@artspace.uk](mailto:thevestibules@artspace.uk) where our coordinator will respond to any questions you may have. If you decide you would like to use a space you can book a period with us. We book out the spaces individually and they are available to book for periods of days or weeks. We will then send an invoice for the agreed upon hiring fee.

We offer a hanging system that prevents the walls from being damaged and makes setting up an exhibition easy and accessible. The system has a weight limit of 15kg, however we recommend you avoid reaching capacity. If work cannot be hung with the system, our coordinator can give a consultation regarding alternative methods to put up work, on a case by case basis.

Features:

Max Capacity: 30 people

Length: 5m

Width: 10m

Wheelchair Accessible

Accessible Plug Sockets

Hanging System
